SESI MOTIVASI

This is my story.

Blessed.

Until this.

Went rock bottom.

In pain & alone.

But not for long !

Never one to accept the word 'no'

I bounced back & took charge.

Mingled with society.

Reached out to childhood friends.

And met newer friends.

New environment.

And then God sent me a
present.

He sent me an Angel.

Adorable.

Sporty.

Hilarious.

He's my heart.

My soul.

My everything.

My new
life.

A journey
so full of
suprises.

In search of
excellence

For
greater
heights.

For glory.

For my
community

Aim to
reach for
the stars.

And not
missing a
target!

My band of brothers & sisters.

Then I went to
burn some
rubber!

Event : K4GP.
Won the race
in the
disabled
category in
the Sepang
circuit.

To reach out.

To share.

And
inspire.

I wanted to breathe again & I went for it.

It's like I never left.

But you know what

- I dream & I dream big !

I tell
myself to
rise to
the
occasion

I tell myself that everything happens for a reason, reasons that sometimes don't make any sense.

That all the pain, tears, hard
work & patience will be all worth
It.

My disability is my ability &
the word impossible does not
exist !

So I promised myself that I'm
to make the most
of what the Almighty has
bestowed me, and that I am
never going to look back, ever !

So I sang the blues away.

Learnt to laugh at myself and life.

Learnt to live it up.

invictus - william ernest henley

Out of the night that covers me,
Black as the pit from pole to pole,
I thank whatever gods may be
For my unconquerable soul. In the fell clutch of circumstance

I have not winced nor cried aloud.
Under the bludgeonings of chance
My head is bloody, but unbowed.

Beyond this place of wrath and tears
Looms but the Horror of the shade,
And yet the menace of the years
Finds and shall find me unafraid.

It matters not how strait the gate,
How charged with punishments the scroll,
I am the master of my fate,
I am the captain of my soul.

I am the master of my fate,
I am the captain of my soul.
