The East/West Split

Edelman Trust Barometer:

2007: West - NGOs trusted more than Business, then Media, then Govt

Asia- Business trusted more than Media, then Govt, then NGO's

2009 - West - Trust in business fell. East - Trust in business rose

Globally, only NGO scored more than 50%

2018 - West - NGOs, then business, govt , then media (now least trusted institution)

2018 - Overall trust: Malaysia +19%; US -37%

Millennials Lead Responsible Investing Movement

Millennials' interest in ESG investing solutions safeguards the industry's future, but in order for it to become mainstream, older investors need convincing

Sustainable investing could be set to benefit from millennials' coming inheritance windfall, as younger generations continues to drive the trend.

However, wealth manager Barclays notes that the investment industry must engage older investors if the ESG movement - investing with environmental, social and governance impact in mind - is to gain maximum scale.

Barclays' latest Impact Investing Report, which surveys 2,000 investors, shows the
